In addition, once per long rest you may shapechange into “The Empty Shape,” which is the lack of an appearance altogether. Doing so gives you and your **Raven Familiar** the **Invisibility** trait, which is lost upon taking damage, attacking, casting a spell, or at will.

OPALESCENT OCARINA

Blowgun, Legendary

A glimmering white ocarina with highlights of turquoise and silver which is said to have been used by the Great Fairy Kaysa. It can be used as a blowgun by closing all finger holes to deal 1d4+2 poison damage.

You can play tunes out of a Fairy's Songbook and each song you learn can be played once per long rest.

PIROUETTER'S POINTE SHOES

Clothing, Artifact

A pair of ballerina's shoes which give the wearer dancing ability beyond what is considered reasonably possible.

You gain +1 Acrobatics and +1 Performance whenever you are unarmed or wielding **Dance Weapons** (*Whip, Baton, Ribbon, Pom-Pom, Hula Hoop, Poi, or Improvised Weapon at DM's discretion*).

(Requires Attunement) **Dance Fighting** : Whenever you make an **Unarmed Strike** or an attack with a **Dance Weapon**, you may add Acrobatics to your attack roll (instead of Str/Dex+Proficiency). When rolling for damage, you may add Performance (instead of Str/Dex).

(Requires Auxillary Attunement) **Dance-Off** : Once per long rest, you may challenge a creature to a **Dance-Off**, whereupon they must succeed a DC 6+Acro+Perf Charisma saving throw or else be teleported to the **Dance Dimension** with you. In the **Dance Dimension** you gain **Impeccable Rhythm** : +2 Acro, +2 Perf and immunity to conditions which restrain movement (paralyzed, stunned, etc.). You also get to pick the song. If either you or the creature reaches 0 HP (or at will), you are both teleported back to wherever you originally challenged the **Dance-Off**.

TIMMY'S TENDERIZERS

Wonderous Item, Legendary

A pair of brass knuckles featuring a grid of small pointed spikes, resembling the face of a meat tenderizing mallet. Used by the renown fighter Timothias the Tenacious during the Battle of Hayrūn.

(Tenderize) Your unarmed attacks apply the **Tenderized** de-buff, which lasts for 10 seconds. Each additional unarmed attack you land on a **Tenderized** creature deals +1 bludgeoning damage and refreshes the duration of **Tenderized**.

(Requires Attunement) The **Tenderized** effect now stacks up to 5 times. A creature with 5 stacks of **Tenderized** becomes **Fully Tender**, at which point the bonus damage is increased to +2 and the number required to crit is reduced by 2.

(Requires Auxillary Attunement) Your unarmed attacks ignore resistance and deal half damage against immunity. The **Tenderized** effect now stacks any number of times and at 10 stacks becomes **Falling Off The Bone**, at which point the bonus damage is equal to your level. Each additional stack beyond 10 increases the bonus damage by 1 and decreases the number required to crit by 1 (minimum 2).
